Strategically Focused Research Network
Pre-Conference Session – March 20th 3-5PM
Sheraton Hotel | New Orleans, LA
5th Level – Grand Ballroom A

TIME | SESSION PANEL (3:00 - 4:15PM)
---|---
3:00 – 3:05 | WELCOME & INTRODUCTIONS
  Moderator: Frank Brosius, MD, FAHA
  Hypertension SFRN Oversight Advisory Committee Member

3:05 – 3:15 | The Vanderbilt SFRN: Tales of salt and the polypill, David Harrison, MD, FAHA, Prevention SFRN Center Director at Vanderbilt University

3:15 – 3:25 | Racial differences in nocturnal hypertension – risk factors, prevalence and outcomes, Paul Muntner, PhD, MHS, Hypertension SFRN Center Director and Project PI at the University of Alabama at Birmingham

3:25 – 3:35 | Stress Management to Support Women's Cardiovascular Health, Tanya Spruill, PhD, Go Red For Women’s SFRN Project PI at New York University Medical Center

3:35 – 3:45 | Intergenerational Transmission of Obesity and Cardiometabolic Disease: Let’s Begin at the Beginning, W. Timothy Garvey, MD, Obesity SFRN Center Director and Project PI at the University of Alabama at Birmingham

3:45 – 3:55 | Prenatal obesogenic exposure, core blood epigenome, and childhood cardio-metabolic health, Lifang Hou, MD, MS, PhD, Children’s SFRN Project PI at Northwestern University

3:55 – 4:15 | OPEN PANEL DISCUSSION

POSTER & NETWORKING SESSION (4:15 - 5:00PM)

1 | Prediction of Ambulatory Hypertension Based on Casual Blood Pressure Percentile: the SHIP AHoy Study, Elaine Urbina, MD, MS, FAHA, Hypertension SFRN Center Director and Project PI at Cincinnati Children’s Hospital

2 | Prevalence of ambulatory blood pressure phenotypes using the 2017 ACC/AHA thresholds: data from the Coronary Artery Risk Development in Young Adults (CARDIA) study, John N. Booth, III, PhD, Hypertension SFRN Postdoctoral Fellow at the University of Alabama at Birmingham

3 | Racial Differences in plasma ceramide levels between African and white WISSDOM non-stroke controls, Joy Jones Buie, PhD, MSCR, Disparities in CVD & Stroke SFRN Postdoctoral Fellow at Medical University of South Carolina

4 | Post-stroke cognitive decline: Evidence of racial and ethnic disparities using BRFSS data, Suzanne Burns, PhD, OT, Disparities in CVD & Stroke SFRN Postdoctoral Fellow at Medical University of South Carolina

5 | An Intervention to Increase Engagement with Hypertensive Care in American Indians: A Qualitative Inquiry, Cornelia Santos, PhD, Disparities in CVD & Stroke SFRN Postdoctoral Fellow at University of Colorado, Denver

6 | Associations between plasma cyclic guanosine monophosphate (cGMP), sex hormones, and cardiovascular risk factors in the Multi-Ethnic Study of Atherosclerosis, Wendy Ying, MD, Go Red For Women SFRN Postdoctoral Fellow at Johns Hopkins University

7 | Associations of cyclic GMP with left ventricular parameters and measures of aortic stiffness in the MESA study, Vinita Subramanya, MBBS, MPH, Go Red For Women SFRN Postdoctoral Fellow at Johns Hopkins University

Beverages & Snacks will be provided.
