

**REMINDER: Abstracts must be submitted by Monday, May 7, 2018, 11:59 PM CST for consideration.**

## SUBMISSION CATEGORIES

Aldosterone Its Receptors and Other Hormones

Gender Differences and Sex Hormones

Patient-Provider-Healthcare System Issues

Antihypertensive Drugs and Pharmacology

Genetics and Epigenetics

Pediatric and Adolescent Hypertension

Blood Pressure Control and Adherence to Treatment

Hypertension and Aging

Pregnancy and Preeclampsia

Blood Pressure Monitoring

Inflammation Immunity and Cytokines

Proteomics and Metabolomics

Cardiac Hypertrophy and Dysfunction

Lipid Metabolism

Receptors and Signal Transduction

Cerebrovascular Disease and Stroke

Neurogenic Mechanisms

Renal Hemodynamics & Renovascular Hypertension

Chronic Kidney Disease Nitric Oxide Endothelin and Other Endothelial Factors

Renal Tubular Transport

Clinical Trials in Hypertension and Related Morbidities

Non-Pharmacological Therapy (Alternative Medicine; Diet; Physical Activity)

Renin-Angiotensin System

Coronary Artery Disease and Hypertension

Nutrition and Hypertension

Salt and Hypertension

Developmental Programming of Cardiovascular Disease

Obesity Insulin Resistance and Metabolic Syndrome

Vascular Biology

Diabetes

Other

Vascular Remodeling and Dysfunction

Epidemiology

Oxidative Stress

Vascular Stiffness
