<b>Scientist/Clinician-Scientist</b>	<b>Clinician-Educator</b>	<b>Administrator/Public Health Official</b>	<b>Applicant Completes Section</b>
Funding Received – track record of national research funding Funding should be at the level of an Independent Investigator	Participated in National or International White Papers, Scientific Statements, Guidelines, or other manuscript/deliverable endorsed by a major society or group	Medical or Public Health System Leadership Roles – in Local, State, Regional, National, or International organizations	Summarize as applicable:
Participated in Peer Review – participated on grant review panel	Participated in Peer Review for National or International White Papers, Scientific Statements, Guidelines, or other manuscript/deliverable endorsed by a major society or group	Modeling for finance, or population health. Demonstrated expertise in financial, administrative or population health planning.	Summarize Role:
Editorial/Publication Roles – role on journal editorial boards, editor	Editorial/Publication Roles – role on journal editorial boards, editor	Quality Improvement– state, local or regional recognition for quality improvement projects.	List roles: (in parentheses, list page of CV) Complete as many as applicable 1) _____ 2) _____ 3) _____ 4) _____
	Expertise in Clinical Field – regional or national expert in clinical field		5) applicable, describe:

## **Contributions to Science (based on NIH Bio-Sketch)**

Briefly describe your most significant contributions to science. The description of each contribution should be no longer than one half page, including citations.

### **Content:**

For each contribution, indicate the following:

- the historical background that frames the scientific problem;
- the central finding(s);
- the influence of the finding(s) on the progress of science or the application of those finding(s) to health or technology; and
- your specific role in the described work.
- Figures, tables, or graphics are not allowed.

Contribution 1  
Description

Contribution 2  
Description

Contribution 3
