PAD NATIONAL ACTION PLAN: Collaboration and Coordination Key to Long-Term Success

The PAD Collaborative unites organizations and experts committed to advancing the PAD National Action Plan to increase public awareness and understanding of PAD, prevent complications, address health barriers and improve quality of life for people living with the disease.

The long-term success of the PAD National Action Plan depends on the collaboration and coordination of many groups and health care champions committed to conquering this disease. More than a dozen organizations and hundreds of volunteers have already raised their hand to work together to advance the National Action Plan.
