

Hypertension 2022

Caregiver Award

The Caregiver Award supported by an NHLBI R13 grant will provide a stipend to individuals registered for the Hypertension Scientific Sessions 2022 conference to defray onsite or at home caregiving costs (for school-aged and younger children, older adults, or other caregiving responsibilities) while attending the Hypertension conference in San Diego, California, September 7 – 10, 2022. The goal is to support individuals with this stipend/incentive to allow attendees to fully participate in the Hypertension 2022 conference. All awards will be provided on a first come first served basis, in an amount of \$250 up to \$500, dependent on number of applications received and funding available.

Please note, applicants needing caregiver services onsite will be fully responsible for securing their own provider of choice. The American Heart Association will not be offering onsite daycare services and cannot recommend or refer daycare providers in San Diego.

Requirements:

- Applicant must be a member of the American Heart Association (membership number required to complete award application).
- Applicant must be registered for HTN 2022 **before** applying. (Badge number is required and can be found on your registration confirmation from eventconfirmation@xpressreg.net)

Application Instructions:

- Register for the Hypertension 2022 conference.
- Fill out the application [online here](#)
- Grants will be distributed on a first come first served basis for applicants who meet requirements.
- Applications that do not include all required information and a signature will not be considered.
- Deadline to apply is August 29, 2022.
