International Stroke Conference

Mordecai Y. T. Globus New Investigator Award in Stroke

This award recognizes Dr. Mordecai Y.T. Globus' major contributions to research in cerebrovascular disease and his outstanding contributions to the elucidation of the role of neurotransmitters in ischemia and trauma; the interactions among multiple neurotransmitters; the mechanisms of hypothermic neuroprotection; and the role of oxygen radical mechanisms and nitric oxide in brain injury.

The deadline for abstract submission is Tuesday, August 24, 2021, 11:59 PM CDT.

The deadline for the upload of supporting award application materials is Monday, August 30, 2021, 12 PM Noon CDT.

Criteria

The applicant must meet the following criteria to be considered for this award:

- All applicants must be members of the AHA/ASA.
- The candidate must be active in research and still be in training as an undergraduate, pre-doctoral, or post-doctoral trainee or fellow.
- The candidate must submit an abstract for the International Stroke Conference 2022 in accordance with the rules and regulations for submitting AHA abstracts.
- An individual may apply for only *one* award to be presented at the International Stroke Conference 2022.
- Previous winners for this award are not eligible to re-enter the competition in subsequent years.
- Only one abstract per candidate will be considered. The applicant should be the first and presenting author.
- There is no citizenship requirement for this award.
- Women and under-represented people are encouraged to apply.

How To Apply / Required Documents
