

Subject line: Join me in New Orleans for ISC 2022, February 9-11

Dear Colleagues,

The American Stroke Association's annual meeting, the International Stroke Conference, is happening February 9-11. You can join me in New Orleans or virtually to take part in this 3-day experience for opportunities to connect and engage, grow your career, and discover groundbreaking science and research.

By registering for and attending #ISC22, you will have access to leaders in the field and hear the latest discoveries in cerebrovascular disease and brain health science and medicine. Experience exceptional programming designed with your needs in mind with 17 stroke and brain health categories.

Can't miss sessions at this year's meeting include:

- Effect of Marijuana on Brain Health
- Just A Little Fib: Stroke Risk or White Lie (Debate)
- "Cocktails Anyone?" Intravenous Thrombolysis (Debate)
- Novel Approaches to Attack the Clot: Beyond Tissue Plasminogen Activators
- Taming the Beast: Novel Treatment Strategies for Complex AVMs
- Arts Therapies and Stroke Rehabilitation: Humanities for the Sake of Science
- Is AI Ready for the Race Track in Stroke Care? (Debate)

To learn more and register, visit their website at [strokeconference.org](https://strokeconference.org)

Thank you for your consideration and I look forward to connecting with you in February.

Sincerely,

[AHA/ISC Ambassador Name]
