

Subject line: Submit your science to #QCOR22 by February 2.

Dear Colleagues,

The American Heart Association's annual meeting, Quality of Care and Outcomes Research Scientific Sessions is currently accepting abstracts. This year's meeting offers abstract categories tailored to your field of study and the opportunity to reconnect with your professional network in-person in Reston, VA.

Tell the story of your science, your way by submitting your science to a variety of quality of care and outcomes research-based categories and presenting the research in person this May 13-14.

Accepted abstracts will be:

- Published in AHA's *Circulation: Cardiovascular Quality and Outcomes* journal.
- Considered for conference awards – Early Career Investigator Awards and Early Career Travel Stipend Awards
- Presented in-person or virtually to a global audience.

To learn more and submit your science, visit their website at <https://professional.heart.org/qcorsessions>.

Thank you for your consideration!

Sincerely,

[AHA/ASA Ambassador Name]
