

2026 Abstract Categories

*Please note: Pediatric submissions will be distributed amongst the topics outlined below and reviewed by pediatric experts within these categories.

1. Airway Management/Ventilation
2. Basic Science
3. Biomarkers
4. CPR
5. Defibrillation
6. ECPR/ECMO
7. Epidemiology and Registry Science
8. Family, Partner, and Rescuer Impact
9. Health Equity
10. In-Hospital Cardiac Arrest
11. Intra-Arrest Monitoring and Therapeutics
12. Monitoring
13. Outcome Predictions/Risk Stratifications
14. Patient Survivorship and Recovery
15. Peri/post-arrest Shock
16. Post-Arrest Critical Care Cardiology
17. Post-Arrest Intensive Care
18. Post-Arrest Neurocritical Care/Neuroprognostication
19. Pre-hospital/EMS
20. Prevention/Rapid Response/Early Warning
21. Resuscitation Devices and Therapeutics
22. Resuscitation Guidelines
23. Temperature Control
24. Training/Education
25. Translational Science
26. Artificial Intelligence

Case reports and images are accepted for ReSS26.
