

## On Demand Presenters

### AHA Scientific Sessions Virtual Experience: On Demand Presenters- What You Should Know

We are delighted to have you on the program for Scientific Sessions 2021. Below you will find key information related to your role(s) at AHA 2021 for the On Demand session program. This is not a live event, so you have flexibility as to when you log in during Sessions and participate in the online discussion around this presentation.

Your role during the event is to answer questions from the moderators or other participants between November 13-15, 2021. Please access the [Participant Portal](#) to view your On demand role(s).

Follow these steps to fulfill your role:

#### Prior to the event

1. Register for the event. Be sure to register by Friday, November 5th.
2. Download the AHA Scientific Sessions [Mobile App](#)
3. Share your participation via social media. Access the [speaker tool kit](#) for images for social media.

#### During the event

1. Go to your session on the AHA Scientific Sessions [Mobile App](#)
2. Check your session in the mobile app daily during the event (Nov 13-15) for any questions that have been posted for your talk during the event.
3. Be sure to view other on demand sessions and post questions you may have for other speakers.

AHA Staff is available to support you through this process as you prepare for the event. If you have any questions please reach out to [programparticipant@heart.org](mailto:programparticipant@heart.org) for assistance.

We are so thankful to have you the program for AHA 2021. We appreciate your expertise and time.

With sincere thanks,

The Committee on Scientific Sessions Program
