

## Poster Presenters

### AHA Scientific Sessions Virtual Experience: Poster Presenters- What You Should Know

We are delighted to have you on the program for Scientific Sessions 2021. Below you will find key information related to your role as a poster presenter at AHA 2021. This is not a live event, so you have flexibility as to when you log in during Sessions and participate in the online discussion around this poster.

**Your role during the event is to answer questions from the poster professors, moderators or other participants between November 13-15, 2021.**

#### Prior to the event

1. [Register for the event](#). Be sure to register by Friday, November 5th.
2. Share your participation via social media. Access the [speaker tool kit](#) for images for social media.

#### During the event (November 13-15)

1. Log into the virtual event daily. You will receive an email from [email@heart.org](mailto:email@heart.org) on Friday, November 12<sup>th</sup> with the link to access the event.
2. Navigate to the Poster section of the AHA Scientific Sessions virtual platform
3. Search for your abstract by title, author, community or presentation number.
4. Answer questions on your poster presentation on the AHA Scientific Sessions virtual platform.

AHA Staff is available to support you through this process as you prepare for the event. If you have any questions please reach out to [programparticipant@heart.org](mailto:programparticipant@heart.org) for assistance.

We are so thankful to have you the program for AHA 2021. We appreciate your expertise and time.

With sincere thanks,

The Committee on Scientific Sessions Program
