

## Poster Professors and Moderated Digital Poster Moderators

AHA Scientific Sessions Virtual Experience: Poster Professors & Moderated Digital Poster Moderators - What You Should Know

We are delighted to have you on the program for Scientific Sessions 2021. Below you will find key information related to your role as a poster professor at AHA 2021. This is not a live event, so you have flexibility as to when you log in during Sessions and participate in the online discussion around these posters.

Your role during the event is to review posters and abstracts and ask abstract presenters questions on the virtual event platform between November 13-15, 2021. Please access the [Participant Portal](#) to view your Poster Professor or Moderated Digital Poster Moderator role(s).

Prior to the event

1. [Register for the event](#). Be sure to register by Friday, November 5th.
2. Share your participation via social media. Access the [speaker tool kit](#) for images for social media.

During the event (November 13-15)

1. Log into the virtual event daily. You will receive an email from [email@heart.org](mailto:email@heart.org) on Friday, November 12<sup>th</sup> with the link to access the event.
2. Navigate to the Poster section of the AHA Scientific Sessions virtual platform
3. Search for your session.
4. Review poster information and post questions for poster presenters to answer during the event.

AHA Staff is available to support you through this process as you prepare for the event. If you have any questions please reach out to [programparticipant@heart.org](mailto:programparticipant@heart.org) for assistance.

We are so thankful to have you the program for AHA 2021. We appreciate your expertise and time.

With sincere thanks,

The Committee on Scientific Sessions Program
