AHA Open Science Policy Compliance

Data Plan

Submit with application
Update as needed

Preregistration

Required for funded clinical trials

Encouraged for all studies making inferential claims

Add Publications to NIHMS

Add citations to NIHMS once publications are accepted
Link AHA award to citation

Deposit Data into AHA-Approved Repository

Due as soon as possible, and no later than the time of an associated publication or the end of the award period

Any factual data needed for independent verification of research results

Email invitation sent at Award activation

Set up HRA Open profile and link to My NCBI

HRA Open

Encouraged, but not required
Allows for early
communication of findings

Journal articles must be made freely available and linked to an AHA award within 12 months of publication

Due as soon as possible, and no later than the time of an associated publication or the end of the award period

Available in Deliverables section of Proposal Central

Data Deposit Confirmation
