

# Open Data

Effective Date: July 1, 2015

**The AHA requires certain applicants to include a data sharing plan with the application. Any factual data that is needed for independent verification of research results must be made freely and publicly available in an AHA-approved [repository](#) within 12 months of the end of the funding period (and any no-cost extension).** Recipients of the following early-career awards are exempt from this policy: AHA Predoctoral Fellowships, AHA Postdoctoral Fellowships, and Institutional Undergraduate Student Fellowship Program.

The AHA is deeply committed to following the FAIR guiding principles for scientific data management and stewardship – Findable, Accessible, Interoperable and Reusable.
