Additional Poster Printing Information

All Posters

- You may choose any print size above
- Your poster will be **scaled proportionally** to fit within the size you choose
- Extra white space on the poster will be trimmed
- The recommended sizes are the best fit to maintain the correct aspect ratio
- You may add "Additional Information" on the form as needed

Multiple Page Posters

- If the file contains information about multiple pages, then the printer will evaluate the submission
- The printer will combine a multi-page document to create a single page poster
- There may be an additional \$25.00 charge to create a single page poster, the printer will contact you

Vertical Posters

- If the system determines the page width < page height, the page orientation is assumed to be vertical
- Unless specifically indicated, a poster board is 48 inches high
- Best size choices for a vertical poster are:
 - 44w x 36h or 110cm x 90cm
 - 48w x 36h or 120cm x 90cm
 - 48w x 42h or 120cm x 105cm
- Posters will be printed portrait/vertical or landscape/horizontal to maintain the correct scaled proportions.
