

American Heart Association®

Basic Cardiovascular Sciences

2020 Scientific Sessions
Emerging Opportunities in Cardiovascular Diseases
July 27-30, 2020

Disclosure Policy Statement

As a sponsor accredited by the Accreditation Council for Continuing Medical Education (ACCME), the American Nurses Credentialing Center (ANCC) and the Accreditation Council for Pharmacy Education (ACPE), The American Heart Association must ensure fair balance, independence, objectivity, and scientific rigor in all its individually sponsored or jointly sponsored educational activities. Therefore, all individuals (planning committee members, speakers, moderators and authors) who develop and/or control the educational content of continuing education activities sponsored by the American Heart Association must disclose to the audience: (1) any financial relationships with commercial interests whose lines of business are related to the educational content of the activity and/or any financial relationships with the commercial supporters of the activity, and (2) unlabeled/unapproved uses of drugs or devices discussed in their presentation. Such disclosures will be made in writing in the activity materials. (Examples of financial relationships can include grants or research support, commercial interest employee, consultant, major stockholder, speaker's bureau member, etc. occurring within the last 12 months.) The intent of this disclosure is to identify and resolve any existing conflicts of interest so that the commercial independence of this activity can be assured. In addition, these disclosures provide participants with the requisite information needed to make their own judgments with regard to conflicts of interest.

I. The following individuals have declared financial interest(s) and/or affiliation(s):
