

Hypertension 2021
CFA Toolkit

Subject line: Submit your science to #HTN21 by June 23!

Dear Colleagues,

The **American Heart Association's Annual Meeting, Hypertension 2021** is now accepting abstracts for their September 2021 meeting until Wednesday, June 23rd at 6pm CT. Connect with colleagues and leaders in the study of hypertension and its relationship to cardiac and kidney disease, stroke, obesity and genetics. Present virtually from anywhere.

To learn more and submit your science, visit their website at <https://professional.heart.org/hypertensionsessions>.

Thank you for your consideration and I look forward to connecting with you this September.

Sincerely,

[AHA/Hypertension Ambassador Name]
