

Subject line: Join me at #QCORSummer Meet Up 2021 this June 10

Dear Colleagues,

The American Heart Association's scientific council, Quality of Care and Outcomes Research will be hosting a 1-day virtual meet up this June 10, 2021. This summer event will offer 3 engaging sessions that focus on career development and academic advancements. This is an exciting opportunity to grow your professional network and connect with your colleagues in an interactive virtual setting.

To learn more and register for the event, visit their website at <https://professional.heart.org/qcorsessions>

Thank you for your consideration!

Sincerely,

[AHA/QCOR Ambassador Name]
