

Subject line: Join me at Scientific Sessions 2020, Nov. 13-17

Dear Colleagues,

The American Heart Association's annual meeting, Scientific Sessions 2020 is happening this November 13-17. This year, they are offering a 5-day virtual experience that will bring you even more opportunities to connect, grow your career, learn and discover.

By registering for #AHA20 you will get instant access to 500 live and OnDemand sessions celebrating basic, clinical and population science in cardiovascular and resuscitation research. Hot topics at this year's meeting include:

- NEW CPR Guidelines
- Cardio Oncology
- Impactful late-breaking science
- Featured sessions on Heart Failure, Electrophysiology, Interventional Treatments and other key clinical topics
- Vaping and E-cigs
- Clinical and Public Health Impact of COVID-19
- Structural Racism
- 3-day Resuscitation Science Symposium

To learn more and register, visit their website at scientificsessions.org.

Thank you for your consideration and I look forward to connecting with you this November.

Sincerely,

[AHA Ambassador Name]
