

Vascular Discovery: From Genes to Medicine 2021

September 22-24, 2021

SCHEDULE AT A GLANCE

	WEDNESDAY September 22, 2021 (CDT)	THURSDAY September 23, 2021 (CDT)	FRIDAY September 24, 2021 (CDT)
<i>All times CDT</i>			
8:30-8:45 a.m.	Conference Preview, Coffee with the Chairs		
8:45-9 a.m.	Conference Opening Welcome		
9-10:20 a.m.	Plenary Session I Vascular Complications of COVID-19 <i>Live Discussion/Q&A after the session</i>	Plenary Session II Novel Concepts of Atherosclerosis <i>Live Discussion/Q&A after the session</i>	Plenary Session III Invited Lecture Series Hoeg Award Lecture Distinguished Lecture Keynote Lecture <i>Live Discussion/Q&A after the session</i>
10:20-10:30 a.m.	Exhibits + ePoster Viewing + Break	Exhibits + ePoster Viewing + Break	Exhibits + ePoster Viewing + Break
10:30-11:50 a.m.	Concurrent Sessions 1 A: Highlights from the ATVB Journal 1 B: Molecular and Cellular Mechanisms of Atherosclerosis 1 C: Translational Science in Vascular Medicine I <i>Live Discussion/Q&A after each concurrent session</i>	Concurrent Sessions 2 A: Kenneth M. Brinkhous Early Career Investigator Prize in Thrombosis Competition 2 B: Irvine H. Page Junior Faculty Research Award Competition 2 C: Translational Science in Vascular Medicine II <i>Live Discussion/Q&A after each concurrent session</i>	Concurrent Sessions 3 A: Emerging Mechanisms of Atherosclerosis: LDL and Beyond 3 B: Vascular Immunity and Inflammation in Thrombosis 3 C: Translational Aspects of Aortic Aneurysm Disease <i>Live Discussion/Q&A after each concurrent session</i>
11:50-Noon	Exhibits + ePoster Viewing + Break	Exhibits + ePoster Viewing + Break	Exhibits + ePoster Viewing + Break
Noon-1 p.m.	The Mentor of Women Award Event Presentation of the Mentor of Women Award Featured Presentation	Next Generation Technology Bootcamp I	Next Generation Technology Bootcamp II
1-2 p.m.	Moderated Poster Session 01.01: Emerging Scientist Award for Women Competition Moderated Poster Session 01.02: ATVB Investigator in Training Award Competition	Moderated Poster Session MPS03: Smooth Muscle Cells and Vascular Disease Moderated Poster Session MPS04: Translational Vascular Medicine Moderated Poster Session MPS05: Aortic Aneurysms - Novel Pathways and Targets Moderated Poster Session MPS06: Update on Peripheral Artery Disease	Moderated Poster Session MPS07: Emerging Topics in Lipid Metabolism Moderated Poster Session MSP08: Genetics & Genomics of Atherosclerosis Moderated Poster Session MSP09: Inflammation & Beyond: Mechanisms of Vascular Disease Moderated Poster Session MSP10: Translational Vascular Medicine
2-3 p.m.	Interactive Early Career Training Session I <i>Organized by the ATVB Early Career Committee</i>	Interactive Early Career Training Session II <i>Organized by the ATVB Early Career Committee</i>	Interactive Session <i>Organized by the ATVB Diversity Committee</i>
3-4 p.m.	Industry Events Networking, Award Presentations and Recognition	Industry Events Networking, Award Presentations and Recognition	Industry Events Networking, Award Presentations and Recognitions
