

Pediatric Stroke Readiness

If a child with a stroke presents to your hospital, are you ready?

*MRI preferred to confirm acute ischemic stroke in children (high rate of stroke mimics)

Adapted from: 2026 Guideline for the Early Management of Patients with Acute Ischemic Stroke: A Guideline from the American Heart Association/American Stroke Association

Developed by Nestor R. Gonzalez, MD, MSCR, FAHA, Co-Vice Chair; Heather J. Fullerton, MD, MAS, AIS GL Peer Review Committee Member
