

Sylvia Wasson, PharmD  
Wayne Health

Dr. Sylvia Wasson is a dedicated Pharmacist currently managing Pharmacy Technicians and Community Health Workers with the Wayne Mobile Health Units at Wayne Health. In this role, Dr. Wasson is committed to delivering preventive healthcare services and resources to unserved and underserved populations, particularly in the Black and Brown communities in the Metropolitan Detroit area, while overseeing Community Health Workers who support patients involved in the Wayne State University LEAP-HTN and P2 studies. Additionally, Dr. Wasson is spearheading the development of the Mobile Access Pharmacy Program (MAPP) to further expand healthcare and medication access to those who may otherwise be overlooked in the communities serviced.

Dr. Wasson is a board certified PharmD graduate from Ferris State University College of Pharmacy. Before her current position, Dr. Wasson gained valuable experience working as a pharmacist with Rite Aid Pharmacy and completing internships with both Rite Aid and Walgreen's pharmacies. Dr. Wasson is also a board member of the Community Health Worker Academy at Wayne State University. Moreover, she participates with the Detroit Stroke Coalition to further educate adults and school age kids of the signs and symptoms of Stroke and the importance of prevention.
