

American Heart Association®
Hypertension

REMINDER: Abstracts must be submitted by Wednesday, May 8, 2019, 11:59 PM CST for consideration.

SUBMISSION CATEGORIES

Aldosterone, Receptors and
Signal Transduction

Gender Differences and Sex
Hormones

Patient-Provider-Healthcare
System Issues

Antihypertensive Drugs and
Pharmacology

Genetics and Epigenetics

Proteomics and
Metabolomics

Pediatric and Adolescent
Hypertension

Blood Pressure Monitoring,
Control and Adherence to
Treatment

Hypertension and Aging

Pregnancy, Preeclampsia
and Developmental
Programming

Inflammation Immunity and
Cytokines

Cardiac Hypertrophy and
Dysfunction

Lipid Metabolism

Cerebrovascular Disease and
Stroke

Neurogenic Mechanisms

Renal Hemodynamics,
Tubular Transport,
Renovascular Hypertension

Chronic Kidney Disease
Nitric Oxide Endothelin and
Other Endothelial Factors

Clinical Trials in
Hypertension and Related
Morbidity

Non-Pharmacological
Therapy (Alternative
Medicine; Diet; Physical
Activity)

Renin-Angiotensin System

Salt, Nutrition and
Hypertension

Diabetes Obesity Insulin
Resistance and Metabolic
Syndrome

Vascular Biology,
Remodeling, Dysfunction,
Stiffness

Epidemiology

Oxidative Stress

Resistant Hypertension
