AHA Research: Grant Funding and Other Opportunities

Date: Saturday, Sept 7th
Time: 12:30 – 1:30
Room: Galerie 6
Presenter: Glenn H. Dillon, PhD, Director of Research Operations, AHA

The American Heart Association is the largest non-governmental, non-profit funder of cardiovascular and cerebrovascular research in the US. AHA also offers many service and career development opportunities. Those attending this session will learn about:

- Grant Funding Opportunities at AHA
  - Across the career stage
  - Application expectations and timelines
  - The peer review process
  - Program success rates

- Other Award Opportunities

- Service and Career Development Opportunities

Grab your own lunch and bring it with you. Session is open to all!
